

Perete despartitor 60x90/60x110

M2026

Arhitectura

Tip de montaj	Fixat cu cleme
---------------	----------------

Configuratie

Executie	simplicu
----------	----------

Compatibilitate

Compatibilitate produs	LF (150, 190, 230)
------------------------	--------------------

Materiale

Culoare	gri deschis
Material	PVC
Material	Plastic
Suprafata	netratat

Dimensiuni

Înaltimea canalului	60 mm
Lungime	2000 mm

Standarde

Conform directivelor europene RoHs	conformitate voluntara
------------------------------------	------------------------

Protectie

Fara halogen	nu
