

Clema fixare cablu 37x50 mm

HN370503

#### Compatibilitate

|                        |     |
|------------------------|-----|
| Compatibilitate produs | HNG |
|------------------------|-----|

#### Curent electric

|                           |    |
|---------------------------|----|
| Scurgere de curent stabil | da |
|---------------------------|----|

#### Materiale

|           |                                   |
|-----------|-----------------------------------|
| Culoare   | rosu                              |
| Material  | PC - ABS fara continut de halogen |
| Material  | Plastic                           |
| Suprafata | netratat                          |

#### Dimensiuni

|                     |       |
|---------------------|-------|
| Înaltimea canalului | 37 mm |
| Latimea canalului   | 50 mm |

#### Standarde

|                                    |                        |
|------------------------------------|------------------------|
| Conform directivelor europene RoHs | conformitate voluntara |
|------------------------------------|------------------------|

#### Protectie

|              |    |
|--------------|----|
| Fara halogen | da |
|--------------|----|
